Old Geezer

An old geezer became very bored in retirement and decided to open a medical clinic. He put a sign up outside that said: "Dr. Geezer's clinic. Get your treatment for \$500, if not cured, get back \$1,000.

Doctor "Young," who was positive that this old geezer didn't know beans about medicine, thought this would be a great opportunity to get \$1,000. So he went to Dr. Geezer's clinic. This is what transpired. Dr. Young:

"Dr. Geezer, I have lost all taste in my mouth. Can you please help me??"

Dr. Geezer: "Nurse, please bring medicine from box 22 and put 3 drops in Dr. Young's mouth."

Dr. Young: Aaagh!! -- "This is Gasoline!"

Dr. Geezer: "Congratulations! You've got your taste back. That will be \$500."

Dr. Young gets annoyed and goes back after a couple of days figuring to recover his money.

Dr. Young: "I have lost my memory, I cannot remember anything."

Dr. Geezer: "Nurse, please bring medicine from box

22 and put 3 drops in the patient's mouth."

Dr. Young: "Oh, no you don't, -- that is Gasoline!"

Dr. Geezer: "Congratulations! You've got your memory back. That will be \$500."

Dr. Young (after having lost \$1000) leaves angrily and comes back after several more days.

Dr. Young: "My eyesight has become weak --- I can hardly see anything!!!!"

Dr. Geezer: "Well, I don't have any medicine for that so, " Here's your \$1000 back." (giving him a \$10 bill)

Dr. Young: "But this is only \$10!"

Dr. Geezer: "Congratulations! You got your vision back! That will be \$500."

Moral of story--Just because you're "Young" doesn't mean that you can outsmart an "old Geezer" !

THE BLONDES ARE BACK

FLORIDA OR MOON

Two blondes living in Oklahoma were sitting on a bench talking, and one blonde says to the other, Which do you think is farther away... Florida or the moon?' The other blonde turns and says 'Hellooooooooooooo, can you see Florida?????'

A girl was visiting her blonde friend, who had acquired two new dogs, and asked her what their names were. The blonde responded by saying that one was named Rolex and one was named Timex. Her friend said, 'Whoever heard of someone naming dogs like that?' Hellooooooooooooo, answered the blonde. 'They're watch dogs.'

Two blondes were going to Disneyland. They were driving on the 2 Interstate when they saw the sign that said Disneyland LEFT. They started crying and turned around and went home.
